

ACCESSIBLE & FAST INSTALLATION

Chief's WBM3E micro-adjustable telescoping whiteboard mount provides maximum flexibility needed for the variation prevalent from classroom to classroom. This mount hosts telescoping legs that can be anchored between 5-7 feet so younger users can access the technology. The micro-adjustable mount installs directly to the wall over pre-existing dry erase boards or chalkboards without causing damage.

WBM3E SPECIFICATIONS

Color:	Silver
Overall Dimensions: (H x W x D):	82.78" x 46.93" x 4.92" (2102 x 1192 x 125 mm)
